Tell the world how you sound

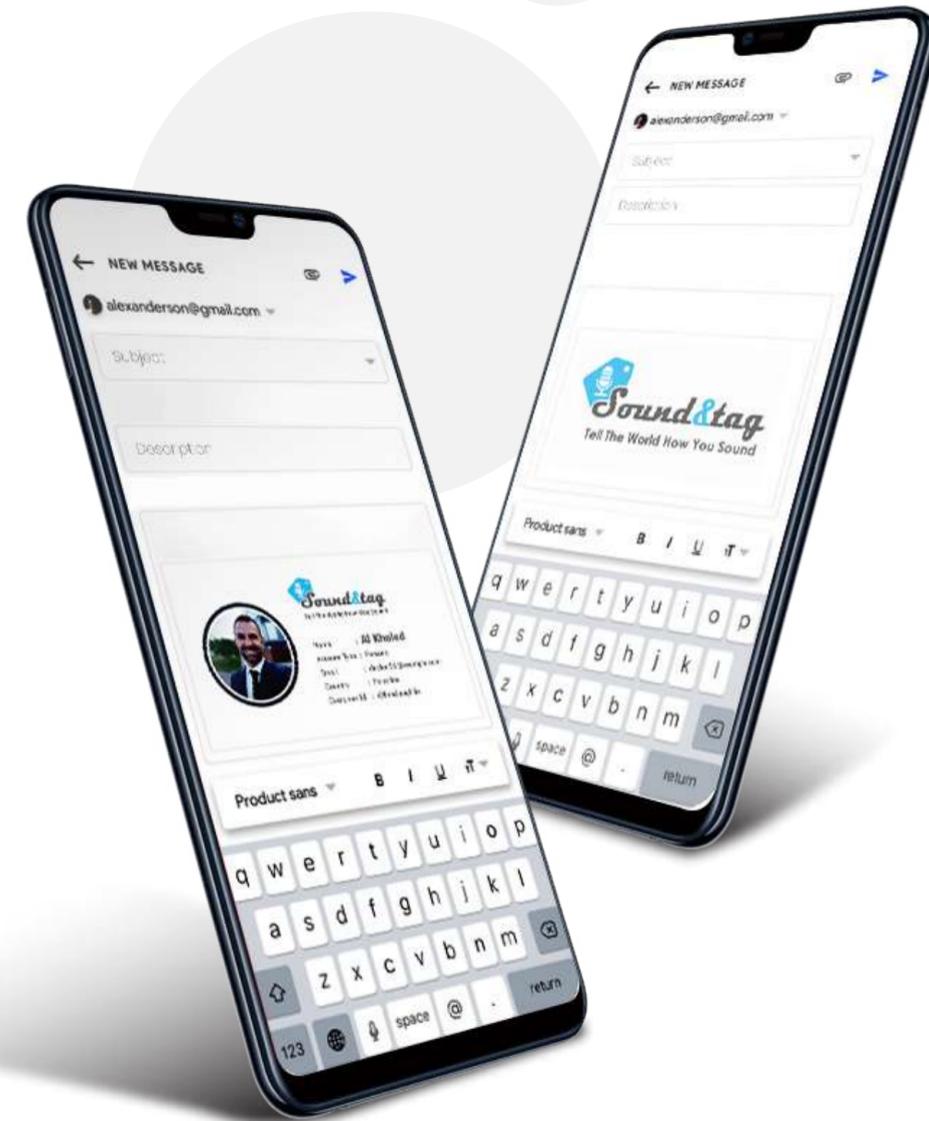

Sound & Tag helps to avoid the irritation of hearing your name mispronounced, and the embarrassment of doing it to others

Pronounce & listen to names correctly

People's names can be tricky, but it's a courtesy to say them correctly

Tag your correct name pronunciations on to..

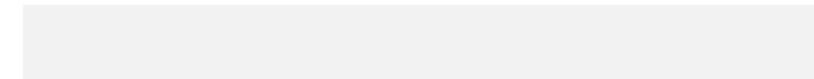

Tell them how to pronounce your brand

You can create Sound&Tag for your business, brand name and for your employees too

**Requests others to send
you their correct
pronunciations**

**Add the meaning of your names
or what are they related to**
